Council Highlights

* On April 6 the council of Jennings Creek CRC met and after a devotion on Psalm 141 and a time sharing God moments/Encounters we discussed the following.
 * A Summary of the Ministry Summit was reviewed and there was excitement around the courageous proposals that were brought forward. Some of these proposals are being implemented while others will be looked at by specific committees related to the proposal.
 * A team was formed that will begin looking at future property improvements. The team has been invited by council to begin prioritizing what the next steps forward may look like.
 * Bill Charlton provided a financial report in preparation for the congregational meeting.
 * Al Fielding and Cherrie Zeckveld presented a Mandate for the newly formed Disability Concerns Committee. We look forward to the work this team will be doing in the future to ensure all those who attend Jennings Creek CRC feel like they BELONG.
 * The council spent time prayerfully considering nominations for Elder and Deacon. We ask the congregation to lift up this process in prayer as we desire God's will to be done.
 * Reports were received from the various committees of Jennings Creek CRC and it was a joy to hear of how God is at work in the church and the community.
