Since 2005, Sea to Sea has allocated a portion of funds to local ministries that focus on breaking the cycle of poverty. Past Sea to Sea events consisted of Primary Partners who divided the total funds raised and allocated a portion to local poverty ministries. With World Renew and Partners Worldwide taking full responsibility for the tour, the structure is changing. We have also in the past set up a system of fund sharing where smaller groups could join the event with the funds raised by dedicated riders were paid out net of expenses. If you would like more information on this or take a copy of the application form, please see the information posted on the bulletin board at the bottom of the stairs below the church office.
