**HELLO FROM MWANZA:** We bring greetings from World Renew Tanzania. We are thankful for good health and good rains. We are encouraged by the response of farmers who are now seeing the results of the agriculture trainings they have received under the World Renew / Canada Food Grains Bank programming. Jannetta's work at the Makongoro Health Centre continues to go well. Each day brings another wonderful opportunity to be a compassionate Christian witness to a community that seeks medical care.

We will be returning to Canada May 29<sup>th</sup> which will conclude our 5<sup>th</sup> term of volunteering with World

Renew here in Tanzania. We pray that the next 2 months will continue strong as we share our knowledge, gifts and skills and also share the love of Jesus with communities.

Blessings *Phil and Jannetta VandenBerg*
