EVENING BIBLE STUDY ANNOUNCEMENT

GUARDRAILS by ANDY STANLEY

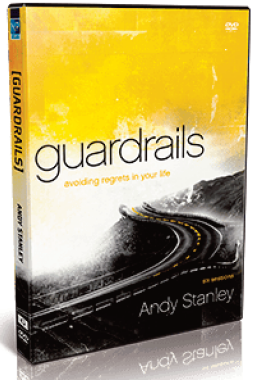

Please join us for our next Bible Video Study entitled 'Guardrails'. It will be held on Sunday nights from 6:30-8:00pm for 5 sessions from May 6th to June 3rd. There is a sign-up sheet in the foyer near the office.

Overview:

Guardrails. They're everywhere, whether we need them to be or not. The thing about guardrails is that we don't need them . . . until we do. And when we need one, it can be the difference between life and death.

The 5 parts include:

- a. **Direct and Protect:** Guardrails are designed to keep vehicles from straying into dangerous or off-limit areas. They minimize damage by keeping us in the safety zone. But the highway isn't the only place we need guardrails.
- b. **Proximity:** Have you ever met someone that later you wish you'd never met? Is there a person you wish your husband, wife, son, or daughter had never met? Sometimes people are our greatest regrets because they influence us to ignore our guardrails and step into the danger zone.
- c. **Forever Yours:** We need personal guardrails so we don't stray into areas of life that can harm us or the people we love. If there's one area in which personal guardrails are most needed but also most resisted, it's in our relationships.
- d. **Money Matters:** When it comes to our finances, it's easy to cross the line into the danger zone. That's why it's essential to establish guardrails against greed.
- e. **The Heart of the Matter:** It's vital to erect guardrails around our hearts because an unguarded heart can overpower our most guarded behaviour.

For more information please contact **Betty Boomsma**.

HELLO FROM MWANZA: We bring greetings from World Renew Tanzania. We are thankful for good health and good rains. We are encouraged by the response of farmers who are now seeing the results of the agriculture trainings they have received under the World Renew / Canada Food Grains Bank programming. Jannetta's work at the Makongoro Health Centre continues to go well. Each day brings another wonderful opportunity to be a compassionate Christian witness to a community that seeks medical care.

We will be returning to Canada May 29th which will conclude our 5th term of volunteering with World

Renew here in Tanzania. We pray that the next 2 months will continue strong as we share our knowledge, gifts and skills and also share the love of Jesus with communities.

Blessings *Phil and Jannetta VandenBerg*
