A note from our church librarian: In 2004 Bethany Hamilton, an avid surfer from the time she was five in

Kauai, Hawaii was suddenly attacked by a shark that tore off a chunk of her Styrofoam board and most of her left arm. Today there are two books about Bethany in our church library, one written by Bethany

and the other written a few years later by her mother. Learn how a living faith and a faith community made an enormous difference to Bethany's recovery and her return to the waves.
